Dear Richard, Genevie, and Julie:

This is a follow up email regarding the Hollywood Media Business Improvement District and the past due special assessments that DMV and EDD owe to our organization.

Just in case you did not receive any of the documentation that was previously sent, I am enclosing a copy of the package prepared by the City of Los Angeles regarding the Special Assessment along with invoices, plans, and engineering reports.

Look forward to hearing back from you about processing the payment due.

This will be sent in three (3) emails since the documents are in large files.

Thank you and look forward to your response.
